FEATURED SUPPLIER

GOWER BREWERY Ales of Outstanding Natural Beauty

Inspired by the love of great beer and the lack of a brewery on the Gower Peninsula - the UK's first area of outstanding natural beauty - the Gower Brewery was born. Established in 2011, we are one of the fastest growing breweries in Wales. Armed with the best ingredients we can find, we pack our ales full of flavour and natural goodness and ultimately brew beers that we want to drink!

We are proud to help spread the word of craft beer around the country and put Gower on the map as a destination for great beer.

We brew to the highest standards using, old fashioned, traditional methods. Helping us achieve this is our Master Brewer, Dave Campbell. Dave has over 25 years brewing knowledge and experience.

Salted treacle, pineapple & lime tart with toasted oats

For the sweet pastry

- For the sweet pastry
- 120g unsalted butter (12361)
- 75g caster sugar (2362)
- 3 egg yolks (56487)
- 250g plain flour (46435)
- 2 tbsp water

Method

Dice up the butter and leave to get to room temp, place in a mixer and mix with the sugar. Mix up until creamy and light, drop an egg yolk one at a time until all 3 have been used up. Then fold in the flour until the dough is smooth but try not to overwork. If too dry use up the water. Roll out and lay over a pastry ring, blind bake until golden brown at 160°c.

For the filling

- 10 eggs (53526)
- 250ml cream (3351)
- 125g sugar (2362)
- 300g treacle (8220)
- 2 limes, juiced and zested (1303)
- Pinch of Halen mon (35961)

Method

Cream the eggs and sugar together until combined, add the treacle and lime to the mix. Now only use a wooden spoon so you do not create anymore bubbles. Now add the cream and again only use a spoon so you do not whip the cream. With a back of a knife crush the salt to a fine grain and sprinkle into the cream. Taste the mix to check the saltiness, if needed more then add. Now pour this mix into the pastry case and bake at 110°c for as long as an hour or until it has cooked and is set. It will have a wobble to it. Take out and cool.

For the filling

- Fine diced pineapple (20514)
- Lime zest (1303)
- Oats (402)
- Edible Gold leaf (53565)

Strawberry flan with peppered caramelised honey

- Fresh strawberries
- Crème anglasie *(see recipe below)*
- Gelatine
- Course black pepper
- Honey

For the flan case

- Eggs
- Sugar
- Flour

Method for flan

Pre-heat the oven to 200°C. Place sugar in a bowl and whisk together with eggs over a pan of hot water for 10 minutes. Remove from heat and continue whisking for 5 minutes. Gently fold in sieved flour, in about 4 lots. Pour sponge-cake mixture into a greased and floured flan tin. Bake in a pre-heated oven for around 20 minutes and allow to cool.

First start with your flan case

- 170g plain flour
- 170g caster sugar
- 3 medium eggs

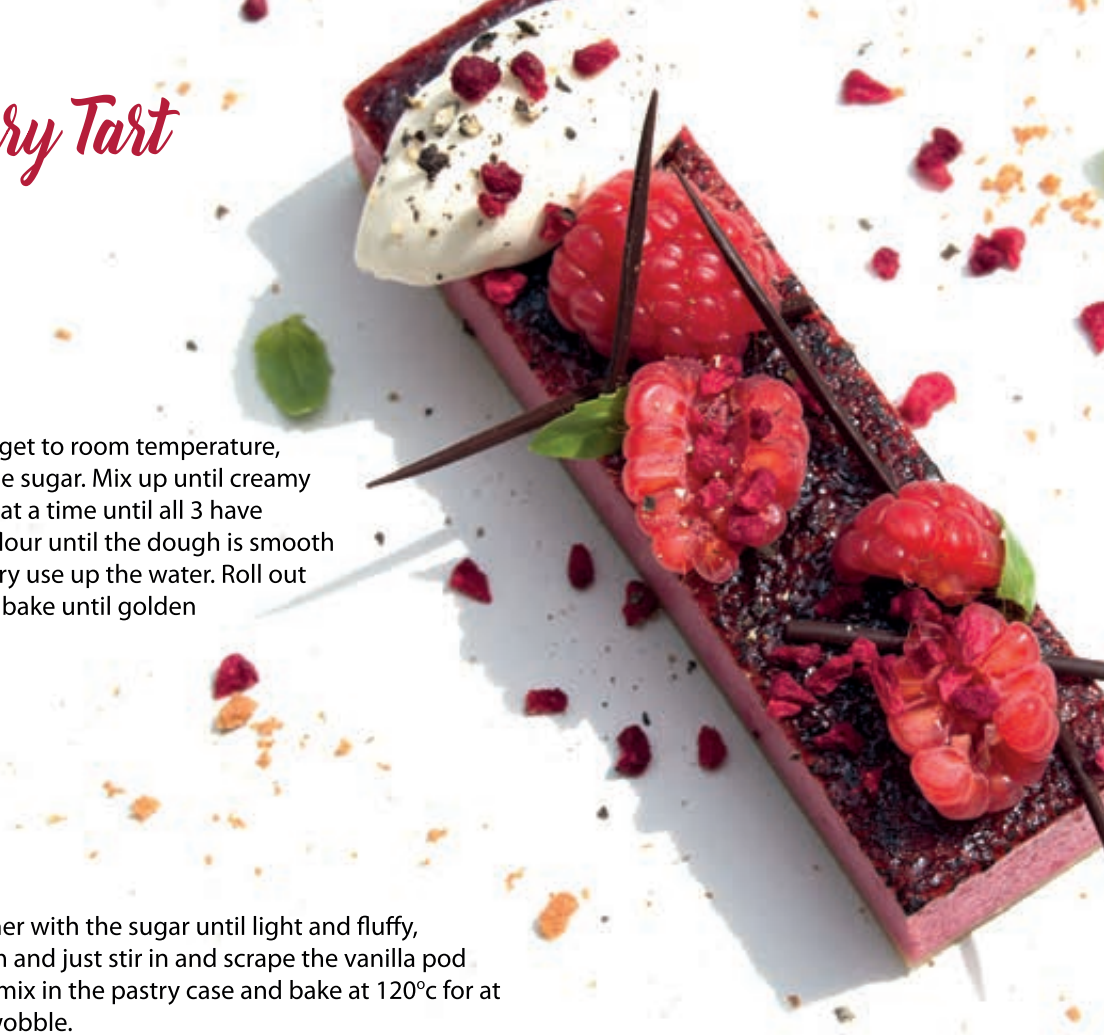
Next start your set crème anglaise

- 235ml double cream
- 4 egg yolks
- 1 xVanilla pod
- 65g grams sugar
- 85g honey
- 3x gelatine leaves
- 6g Course black pepper

Method

First soak your gelatine in cold water to soften it, then begin your crème anglaise. In a small, heavy saucepan, heat cream and vanilla until bubbles form at edges. While cream is heating, whisk together egg yolks and sugar until smooth. Slowly pour 1/2 of the hot cream mixture into egg yolks, whisking constantly. Gradually add egg yolk mixture back to remaining cream mixture, whisking constantly.
Continue to cook, stirring constantly, until the mixture coats the back of a spoon. While the cream angalise is cooling, caramelize the honey by putting it on the heat in a saucepan, you don't want it to burn just change to a darker colour to achieve a richer, deeper flavour. Squeeze out the excess water from the gelatine and drop this into your crème anglaise, stir with a wooden spoon until all has dissolved.
Add the course black pepper and distribute evenly. Pour custard mix into the flan case and place in the fridge until cooled and set. Once set arrange the fresh strawberries on top of the custard and press in gently. Serve as an afternoon tea slice or as a dessert.

Burnt Raspberry Tart



For the sweet pastry

- 120g unsalted butter
- 75g caster sugar
- 3 egg yolks
- 250g plain flour
- 2 tbsp water

Method

Dice up the butter and leave to get to room temperature, place in a mixer and mix with the sugar. Mix up until creamy and light, drop an egg yolk one at a time until all 3 have been used up. Then fold in the flour until the dough is smooth but try not to overwork. If too dry use up the water. Roll out and lay over a pastry ring, blind bake until golden brown at 160°c.

Raspberry custard mix

- 5 eggs
- 150g caster sugar
- 200ml raspberry puree
- 150 ml double cream

In a bowl whisk the eggs together with the sugar until light and fluffy, pour in the puree and the cream and just stir in and scrape the vanilla pod in again gently stir in. Pour this mix in the pastry case and bake at 120°c for at least an hour or until it has no wobble.
Cool down to portion, once ready for serving, sprinkle some caster sugar on it then blowtorch to burn the sugar like a brulee.

eccentric gin

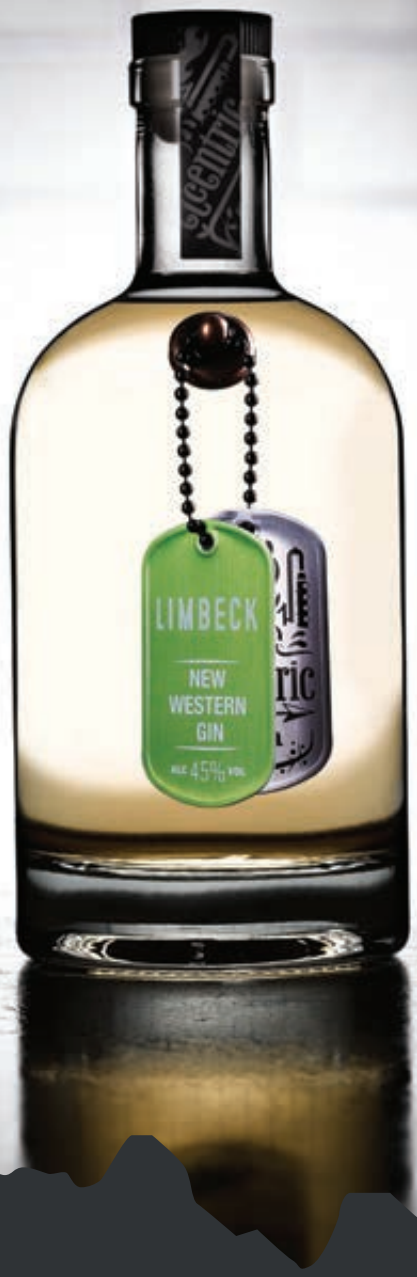
AND RECEIVE A BOTTLE OF ECCENTRIC GIN

FREE



Eccentric gin started in the cellars of a building which has stood in Llantrisant for over 200 years. Our gins are distilled by brewers, mixologists and even a Freeman of Llantrisant. Llantrisant's ancient tradition of the Freemen has survived through the mists of time. More than 660 years since the first were enrolled, it remains as significant today as it did in medieval times.

Llantrisant is well known as the home of William Price, an eccentric who legalised cremation, practiced druidism and believed in free-love. The building we began in was owned by Roderick Lewis; a close friend of William Price.

We have sourced the best botanicals including a specially imported Croatian juniper. We also feature the sacred celtic botanical 'wild sunflower' in each of our gins. This botanical is also known as 'Elfwort', or 'Marchalan' in Welsh and imparts a subtle sweetness with an underlying floral bitterness.

PANT DU VINEYARD
PENYGROES, Nr CAERNARFON

The vineyard was established back in 2007. 6,600 vines were planted on 7.5 acres of the farmland. We have now planted 1,300 more of the Rondo grape, which loves its place here in the Nantlle Valley.

8 DIFFERENT TYPES OF VINES HAVE BEEN PLANTED:

Bacchhus, Seyval Blanc, Sigrrebe, Souvignon Blanc, Pinot Noir, Frühburgunder / Early Pinot Noir, Regent and Rondo.

The Rondo grape crop in 2010 was the first to produce wine. In the October of that year family and friends set out to collect the grapes. By the following Summer Pant Du Rondo red wine 2010 was ready to drink. The wine won an United Kingdom Vineyards Association (UKVA) bronze medal. Then followed Pant Du Rondo red 2011; and Pant Du Rondo rosé 2012, which won the Welsh Vineyards Association, Wine Competition 2013.

We had white, rosé and red wine from our 2013 harvest for the first time.

52770 PANT DU WHITE WINE 75CL £11.97
Light fresh aromatic dry white wine, very light pale in colour with a hint of elderflower on the nose. On the palate: green apple with a touch of citrus and very clean on the finish. ABV 10.5%

47341 PANT DU RED WINE 75CL £11.97
Very light and fruity with a strong nose of red berry fruits. Low in tannin. Easy drinkable with great summer fruit flavours on the palate to finish. ABV 11.5%

77972 PANT DU ROSE WINE 75CL £11.97
A full flavoured rose with a vibrant summer fruit and strong wild strawberries on the nose. Nice and light. Good balanced in its acidity with a touch of sweetness to finish. ABV 10.5%

GLYNDWR VINEYARD
COWBRIDGE, VALE OF GLAMORGAN

Glyndwr Vineyard is the oldest and largest established vineyard in Wales. The current owners pioneered the revival of viticulture in Wales, establishing Glyndwr Vineyard in 1979, making it the oldest family estate in Wales. Now, two generations are working together blending the vineyard's heritage with innovation. We are passionate about our home and our surroundings and the important bond between nature and the wine we produce.

Our menagerie of chickens, ducks and wild pheasants roam the vineyard, hedges are left to grow wild to encourage bird life and the vines are treated with organic material.

The adjoining lovely gardens have been open to the National Garden Scheme and there are ponds, woodland areas and orchards containing a number of old British apple trees, which make Glyndwr's own unique and delicious cider.

92008 GLYNDWR WHITE WINE 75CL £9.31
Dry white wine with delicate peach and gooseberry flavours, making it a well rounded wine with tangyfreshness. 10% ABV

3921 GLYNDWR RED WINE 75CL £11.97

37748 GLYNDWR ROSE WINE 75CL £9.98
A medium, smooth pale blush-coloured wine. 10.5% ABV
