GREAT TASTE · RIGHT PRICE

## DELICIOUS DISHES AT IRRESISTIBLE PRICES

The ever-expanding Chefs' Selections range is a collection of 400 fridge, freezer and store cupboard staples to help you create delicious dishes and tempting menus every day.

We've created Chefs' Selections because we believe affordability and practicality go hand in hand with flavour, quality and customer appeal. So we've hand-picked a range of over 400 fridge, freezer and store cupboard staples, all from BRC accredited suppliers.

All products in the range are benchmarked against leading brands and our thorough quality control ensures consistency across the range.

Whether you're aiming for an award-winning extra virgin olive oil, frozen prawns, showstopping cakes or even cleaning products, choose Chefs' Selections and you can be confident of consistently high quality and great value for money. Just add your skill and creativity.

### GROCERY

A quality range consisting of professional kitchen essentials. Whether it is tinned tomatoes that have been grown in the warm Italian sun, a variety of sauce sachets, pasta, herbs & spices or fruit fillings that are bursting with flavour, stock up on your store cupboard staples.

### CHILLED & FROZEN

A big range of chilled and frozen products that caterers can rely on for consistent quality and great value for money. All the essentials are covered from cheese and buttery spreads, to burgers and chips, and vegetables. This range also has an extensive range of desserts that includes showstopping cakes, traditional gateaux's, cheesecakes and hot sponge puddings.

### CLEANING & HYGIENE

Consisting of over 50 cleaning products, cloths, mops, mop buckets and paper-ware. This is the caterers go to range when it is time to clean-up the kitchen, keep front of house gleaming or make your washrooms fresh and sparkling.

For more information on the range, speak to your sales rep or visit [Chefs' Selections](#).
